# INTRODUCTION

## ABOUT US

Established in UAE since 2004, Geomar Gulf LLC has been involved in several projects in both design and execution stages since its foundation and took its place as one of the well-known piling companies in Dubai.

Since establishment and with our partnership with Al Shafar Group, Geomar Gulf LLC have completed projects in the public and private sectors all over UAE.

As we become one of the leading piling contractor in UAE, we have expanded our capabilities to cater the market's need in piling and foundation works, we have engaged in the Marine works and completed several offshore piling works.

**As Geomar Gulf LLC we are commercial license Holder for**

- **Piling and Foundation Contracting**
- **Ports and Marine Construction Contracting**

# OUR PHILOSOPHY

## MISSION

Geomar Gulf LLC is dedicated to providing quality construction and technical services to our customers. We will strive to implement long term relationship with our clients, based on safety, quality, timely service and an outlook on their needs.

## VISION

Our vision is to be ranked among the leading foundation specialists in GCC Region. We aim to be unique with our projects, creative with our approach and dynamic with serving our clients, as we maintain our sustainable growth as a business.

## VALUES

Our uncompromised values are integrity, diligence, teamwork, permanence and commitment. Where our strengths are competitive pricing, quality assurance, on-time delivery, innovative solutions, forward planning and long-term thinking.
